Theme Cruise: Mind, Body & Spirit

Guest instructors and speakers focus on yoga, Pilates, Tai Chi and general fitness on board and ashore.

You will fall in love with Halifax's architectural blend of old and new. The mighty 150-year old Citadel fortress stands sentinel over the thriving downtown area where modern office and hotel blocks nestle alongside the exquisitely-restored Historic Properties waterfront shopping area. Shoppers will delight in the tempting array of buys from colorful Scottish tartans to pewter and superb hand-knit woolens.

Isolated in a northern landscape of icy tranquility, Iceland is a land of volcanoes, hot springs, mountains, glaciers and northern lights. As the capital of Iceland, Reykjavík reflects this natural diversity with ancient maritime history as well as a thriving modern energy and sophistication.
