16 Days Singapore to Dubai Voyage 0209

Theme Cruise: Mind, Body & Spirit

Guest instructors and speakers focus on yoga, Pilates, Tai Chi and general fitness on board and ashore.

Singapore blends the contemporary splendor of a sparkling modern city with influences from throughout the Orient. Discover the mansions and polo greens of colonial Singapore, the mystique of Chinatown and the heady aroma of spices and curry along Arab Street. India contains a bewildering variety of tribes, religions, cultures and languages-and most are present in Mumbai, one of the world's most densely populated cities. Remnants of British rule along oceanfront Marine Drive stand alongside the thought-provoking former home of Mahatma Gandhi, and the cave temple at Elephanta with its second-century Hindu gods.
