## 15 Days Sydney to Singapore Voyage 0208

Located at the point where the Great Dividing Range and Great Barrier Reef curve gently to the shoreline, Cairns is graced with inspiring natural attractions in all directions. Beyond the coast are mountains, rainforests, eucalyptus, waterfalls, lakes, rugged ravines and grazing farmlands fed by freshwater streams.

Singapore blends the contemporary splendor of a sparkling modern city with influences from throughout the Orient. Discover the mansions and polo greens of colonial Singapore, the mystique of Chinatown and the heady aroma of spices and curry along Arab Street.
