## 14 Days Dubai to Athens Voyage 0210

Aqaba brings a refreshing release from the rose-coloured desert to the North. Its sandy beaches and coral reefs are the most pristine on the Red Sea, and Jordanians hope to preserve them through careful planning. With several first-rate hotels, restaurants and shops, Aqaba caters to a tourist crowd that is tranquil and relaxed, seeking its pleasures more by day than by night.

The small city of Safaga, Egypt on the coast of the Red Sea offers beautiful beaches and temperate weather, combined with scuba diving, surfing, and snorkeling. The resorts of this area provide perfect opportunities for visitors to enjoy all the amenities of comfort, while simultaneously basking in the relaxing sun of such a unique and tantalizing area.
