11 Days Montreal to New York Voyage 0223

Québec stands proudly beside the majestic St. Lawrence River, resembling no other city in the world. Its cuisine, language and traditions combine to make this a unique cradle of French civilization in North America.

Within fortress walls high atop Cap Diamant, the old city is a sheer delight for lovers of history. Here, magnificent churches, cobbled streets, fragrant gardens and chic boutiques all vie for your attention.

Boston has not been content to rest on the laurels of its glorious past. Progress is everywhere. Glazed high-rises soar skyward and the colorful waterfront area has been artfully renovated. Superb shopping abounds and sightseeing attractions are legendary. You'll revel in exploring the Freedom Trail, the Old North Church and the Boston Common. A few miles away lie Lexington and Concord where the momentous events that began in 1775 come alive.
